Manali, a beautiful hill station in Himachal Pradesh's Kullu district, is nestled in the Himalayas at about 2,050 meters above sea level. Known for its stunning scenery—snow-capped mountains, pine forests, and the Beas River—it attracts nature lovers, honeymooners, and adventure seekers alike. Key attractions include Solang Valley for skiing and paragliding, Rohtang Pass for its snowy views, the ancient Hadimba Temple, and the relaxing Vashisht hot springs. Old Manali charms visitors with its cafes and peaceful vibe. The town is also a hub for trekking, river rafting, and camping. Reflecting a mix of Himachali and Tibetan culture, Manali offers rich traditions, local crafts, and delicious cuisine. Best visited in summer for sightseeing or winter for snow, it's accessible by road from Delhi and Chandigarh, with the nearest airport at Bhuntar.
